Invited Session on Transport Processes in Environmental Flows

Session Organizer: Prof. Shigeo Kimura and Prof. Robert McKibbin

We are organizing an invited session on **Transport Processes by Environmental Flows** for ISTP-21, which will be held in **Kaohsiung City, Taiwan on November 2-5, 2010**. This session deals with transport phenomena for thermal fluids, renewable energy technologies and other new applications. Topics of interest include, but are not limited to:

1. Transport processes in atmosphere and coastal waterst
2. Transport processes by air within plant and urban canopies
3. Flows and transport processes in rivers, reservoirs, and lakes
4. Mixing processes in estuaries
5. Flows and transport by groundwater

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the ISTP-21 format with title, author's names, affiliation, email addresses, an up to 400-words abstract, and a two-column body with 8 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: Prof. Shigeo Kimura at skimura@t.kanazawa-u.ac.jp
